Norfolk, Va.

Dear Mr. Johnson:

I just received a letter from Mr. Manley in Florida in which he says that he has been unable to contact you about the games for the Eagles for the week-end of April 30th.

As you no doubt remember we were negotiating for games in Norfolk, portsmouth and Richmond for April 30th, May 1st and 2nd, have you done anything about these games? Do you still want the Eagles come and play those dates? Please answer me by return mail, as the time is drawing near, I am, of course, getting uneasy about the open dates.

Will appreciate hearing from you at once.

Yours very truly,
